Ans. Nil acres.

16. State any special circumstances such as illness, accident or lack of means, which should be considered by the Department in dealing with your case. Give any further information which in your opinion should be brought to the attention of the Department?

Ans. I, Harry Everenden, have filled out the above for my brother, George. W. Everenden, who, after being in hospital in Winnipeg since 1st Octr 06, went home to England in March 1907. He is now slowly making progress towards recovery, and fully intends returning to this Country should he be able to retain his present homestead, which is 1 mile from my own. As however, his progress towards recovery is so slow, it is unlikely he will be able to return within the stipulated time. Therefore we sincerely hope you will be able to give him at least another six months in which to get on his homestead.

I, Harry Everenden of Kitscoty, Alta.

do solemnly declare that the answers to the foregoing questions are true in substance and in fact; and I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath, and by virtue of "THE CANADA EVIDENCE ACT," 1893.

Memorandum:-

Mr. Henry S. Dick writes that he is the owner of the W.½ and the S.E.¼ of section 3, township 43, range 24, west 4th meridian, which land was patented to the Canadian Pacific Railway Company on the 2nd July, 1901, and he asks that he be allowed to acquire the portion excluded from the patent, i.e., Lake No.6, containing about thirty-one acres. He adds that he has expended some $150.00 in connection with a ditch from the lake, having thought it belonged to him.

If Mr. Dick files a statutory declaration to the effect that the lake has now become dry, and an abstract of title ~~Irving~~ showing that he is the owner of the balance of the quarter section, which is the usual practice followed in such cases, I think he should be permitted to purchase the undisposed of portion of this quarter section at the current rate of $3.00 per acre.

In reply to your communication of the 6th ultimo, I am to advise you that the privilege of pre-emption and purchased homestead entry is withdrawn from and after the 20th of March, 1918.

Memorandum:

Mr. Turner.

Re Sec. 24-6-1-W.P.M.

Wm. Corbett Faulkner obtained patent dated 19th September, 1912, for the W½ of Sec. 24-6-1-W. North of the north shore of Green Lake containing 159.50 acres, and the NW of the same section containing 160 acres, in all 319.50 acres under Time Sale No. 7996

The township plan dated 15th April, 1902, on which the patent was issued shows that 1.5 and 6 acres, or 7.5 in all, were situate in the W½ of the section (see sketch marked).

On the 23rd January, 1913, under purchased Homestead No. 7373 patent was issued to Mr. Faulkner for L.S. 5 and 6 of the W½ L.S.3 and 4 of the same section on a plan dated the 29th September, 1913, and containing 120.70 acres.

It would appear therefor that patent was issued twice to Mr. Faulkner for the 7.5 acres in L.S. 5 and 6 and Mr. T.W.Dalkin, Superintendent of the Technical Division of the Department of Lands and Mines at Edmonton asks that we take the necessary steps to amend the later patent.

You may wish to refer this to the Solicitor's Department for an expression of opinion as to the method in which this matter may be cleared up.

Chas. Olmsted.

fifth of February one thousand nine hundred and twelve.

In order that we may be in a position to consider what steps should be taken to remedy the error, will you kindly state whether Mr. Faulkner is still the registered owner of the lands in the west half of section 24 conveyed to him by the two grants mentioned, also whether there would be any objection to returning the grant dated the 23rd January, 1911, in order that the same may be cancelled and correct letters patent issued relating back to the date of the original grant.

It would seem that the patent dated the 23rd January, 1911, is a valid grant in so far as the 113.29 acres properly included therein are concerned, and null and void in so far as the 7.5 acres of previously patented land are concerned. Provided you concur in this view the defect might be remedied by amending the Certificate of Title by the inclusion therein of the exception mentioned.

Any suggestions which you may have to offer in the matter will be appreciated.

Yours very truly,

J. Lorne Farrer,
Registrar of Titles.

OTTAWA 13th September, 1937.

Sir,

40 w.1/2 24 - C - 1 W. 4th Mer.

The department of Lands and Mines, Edmonton, has called our attention to the fact that certain portions of the above mentioned quarter-section, comprising together 7.5 acres, were included in two patents issued in favour of William Corbet Faulkner.

On the 5th February, 1912, letters patent were issued to Mr. Faulkner under Final Sale No. 7996 for all that part of the West half of Section 24, north of the north shore of Green Lake as shown on township plan approved on the 16th April, 1912, comprising 155.50 acres and the North East quarter of Section 24, comprising 160 acres, a total area of 315.50 acres.

On the 23rd January, 1913, patent was issued to the same person under purchased homestead No. 7773 for Legal Subdivisions 5 and 6, and the north halves of Legal Subdivisions 3 and 4 of Section 24, comprising 150.70 acres.

This second patent should properly have conveyed 113.20 acres only, inasmuch as the letters patent should have contained an exception as follows:-

saving and excepting thereout and therefrom those portions of Legal Subdivisions five and six containing seven acres and five-tenths of an acre, more or less, granted to William Corbet Faulkner by letters patent dated the

Sir,

S.½ 7 - 7 - 26 - W. 4th M.

Respecting the cancellation proceedings still pending in connection with your homestead entry for the land above described, I am to inform you that according to a recent inspection and report made by an official of this Department you have so far done nothing in the way of cultivation, or the substitution of stock if the land is not arable. You have held this land since the month of November, 1913, and have so far effected in the way of improvements one mile of posts worth in all $25.00.

In cases of your kind where residence is being performed in the vicinity it is most essential that the cultivation conditions, or the substitution of stock in lieu thereof, if permitted, be complied with faithfully.

Kindly communicate with the Department here direct within the next thirty days stating what you will promise to do by the 15th of August next in the way of completion of the fence started, and of placing stock on the land if the quarter-section is not fit for cultivation, if given a further opportunity to retain the quarter-section.

I may add a Homestead Inspector is being asked to

Sir,

Re 7-7-26-1. 4th Mer.

Referring to the statement made by you on the 28th ultimo in defence of the cancellation proceedings pending against your homestead entry for the above described land, I beg to point out that you do not appear to have complied with the terms of my letter to you of the 15th October, 1915, in which you were advised that it would be necessary for you to submit evidence by the 1st instant that you have the whole quarter-section fenced.

As, however, you appear to have the requisite number of stock on the land, it has been decided to hold over the cancellation proceedings pending against your entry until the 1st September next in order to give you time and opportunity to have your homestead enclosed by a substantial fence to satisfy the Agent of Dominion Lands, Lethbridge, prior to the date mentioned by statutory declaration on the enclosed form that you have done so.

Kindly note that your failure to comply with the terms of this letter may lead to the cancellation of your entry.

Referring to your application for patent for your Homestead, above described, I beg to remind you that I still await the evidence of two witnesses and am to point out that an intending applicant for patent is required to produce two disinterested witnesses who are able to corroborate his statement in the matter. The witnesses are expected to accompany the applicant, but if they cannot do so this is not found possible. The application for patent will be taken, but it will then be necessary for the applicant to arrange for his witnesses, or either one of them, to appear at a later date.

The Department will not be responsible for arranging for the attendance of witnesses, and if they do not appear within a reasonable time the application for patent will be cancelled. Kindly give this matter your immediate attention.

As your residence duties were performed by residing with your father upon the North-West quarter of Section 4, Township 7, Range 26, West of the 4th Meridian, it will be necessary for you to furnish me with evidence of ownership of this land, this evidence may be submitted either in the form of the Duplicate Certificate of Title, or Registration Abstract, which latter document may be obtained from the Registrar, Land Titles Office, Calgary, upon payment of the usual fee of $1.00.

MR. HUME
Dom. Lds.

Sir,

I am in receipt of your letter of recent date regarding the South-east quarter of Section 7, Township [illegible] 26, West of the 4th Meridian, and beg to advise you that it has been decided to lease this land to Mr. Alfred James MacGowan, of Macleod, Alberta, on payment by him of the sum of $50.00 to cover the value of the improvements thereon, and also the office fee in connection with the preparation of the lease. A lease, however, has not yet been issued, but as it is always the practice of this Department to notify the Department of Municipal Affairs at Edmonton of the issue of any grazing leases in the Province of Alberta, that Department will be notified in the usual way when the lease is issued in favour of Mr. MacGowan.

With regard to your request to be advised as to who will be responsible for the back taxes on this land, I may say that Mr. MacGowan cannot be held responsible for the payment of back taxes, but, of course, it will be necessary for you to look to him for the payment of taxes which become due after the commencement of the term of the lease. With regard to the improvements on this land, I may say that the practice of this Department is, where money is paid for improvements by an applicant securing the grazing lease, and the former entrant has made application for refund for this amount, to make the amount of any seed grain or relief indebtedness registered against him here in this Department a first charge against the amount, any amount due by the former entrant for taxes to the Provincial Government a second charge against the amount collected for improvements, and the balance, if any, is then refunded to the former entrant. In accordance with the practice this action will be taken when Mr. MacGowan pays the sum of $50.00 to cover the value of the improvements on the above mentioned land, but you will notice, however, that even if the whole amount was paid to the Province it would not cover the arrears for taxes.

It would appear, therefore, that the former

In reply to your enquiry of March 6th, I may say that the N.W.¼ 10-41-13-W 4th Meridian was entered for on November 8th, 1906, by Frederick August Schuman, who stated that he was 34 years of age and born in Germany. In his sworn statement dated November 23rd, 1909, he declared that his age was 37 years.

These particulars appear to agree with your records. His date of birth is not mentioned in our files.

In the Matter of the N.W. ¼ of Section 22
Township 51 Range 2 W of the 4 Meridian
Homestead Pre-emption HOMESTEAD ENTRY BRANCH.

I, H. G. Allenson
Edmonton, Alta

do solemnly declare:—

That I made entry for the above mentioned lands at the Dominion Lands Office at Edmonton on the 16th day of August 1906, and I now ask to have said entry cancelled, and be permitted to take up another homestead for the following reasons, namely:

(1) There were improvements made by one Lacey when I entered for this land. I thought these were abandoned, but Lacey has returned and it appears he was away working on the Railway to earn money to carry on his farming operations and he now wishes to enter for this land. I now abandon because I think the valuation of the improvements made by Lacey was too high but I ask that the amount I paid for these improvements viz $10.00 when I obtained entry be refunded me also the valuation of the Shack placed on this land by me $20.00 be collected for my benefit from the next entrant. I have lived on this land about three months.

That I have not received, directly or indirectly, nor have I been promised, nor do I expect to receive any consideration of any kind for allowing my entry to be cancelled.

And I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act, 1893.
